LETTER FROM THE BOARD CHAIR

Friends of FAN,

As the FAN Foundation Board Chair, I get a unique opportunity to see the support our amazing community brings to children and families in need firsthand. Not many people get to experience these stories as they unfold, so I hold these special moments close: A boy who is able to get to school because FAN replaced his tattered shoes; a family who can keep their heat turned on in the winter; a new backpack that holds more than just homework—it holds hope. Whenever I hear another story of a person impacted by FAN, I think, "This is what we do. *This* is our mission."

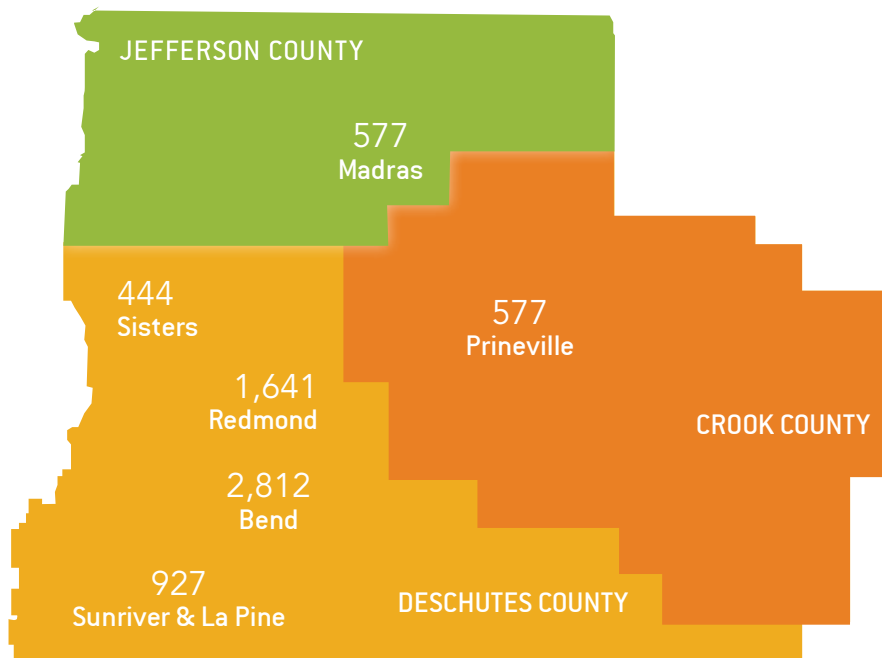

Our advocates worked hard to remove barriers for nearly 7,000 individuals during the 2021-22 school year. They will continue removing barriers over the summer, and they will be ready for next school year, too.

When school wrapped up in June, I reflected on the important work FAN accomplished that allowed so many children to complete the year unburdened from some of life's challenges. Your support allows us to continue to effectively serve our community's most vulnerable families. I hope that you carry a sense of pride and joy, knowing that you are actively contributing to making Central Oregon a better place for all children to flourish.

Sincerely,
Lauren Olson

DIEGO'S STORY

Diego swallowed tears of frustration as he sat out yet another playground activity. He wanted to run and jump with his classmates, but his shoes were coming apart at the soles. His teacher noticed Diego's distress and called FAN. Thanks to a generous donor, his FAN advocate was able to provide well-fitted shoes for Diego quickly, so that he could play safely with his peers at school. He strutted from the FAN office with a spring in his step.

Later, Diego's mom called to thank FAN. While talking, her advocate learned of other needs and connected the family to more resources, including a program for school meals, so Diego could enjoy recess on a full stomach. The teacher who started it all soon reached out to FAN: "I have never seen a boy as excited as he was to have shoes he could run in without them falling off. He ran and ran and just kept smiling!"

LACEY'S STORY

Lacey's home life has been uncertain since her mom died, leaving her and her siblings in the care of a guardian. Lacey doesn't always know if she will get to eat at night or whether she will be picked up from school at a reasonable time, but she does know that the adults at school are safe and predictable. Lacey needed school clothes desperately because she

had quite the growth spurt over the summer. The FAN advocate and school staff came together and made a plan to take Lacey shopping for what she needed. On the way back, Lacey spoke up and said, "This is the most anyone has ever spent on me." Lacey consistently shows up for school, knowing that it is a safe place, filled with adults who care deeply about her well-being. With a little help from FAN, Lacey has stability in her life and knows people care.
