## LETTER FROM THE BOARD CHAIR

Friends of FAN,

The end of the 2022-23 school year gives me time to pause and reflect on the events, extracurricular activities, and celebrations of the past year. At FAN, we celebrated our 30th anniversary! Over the last 30 years, our FAN advocates have helped connect 183,885 individuals to vital resources like shelter, food, school supplies, and more.

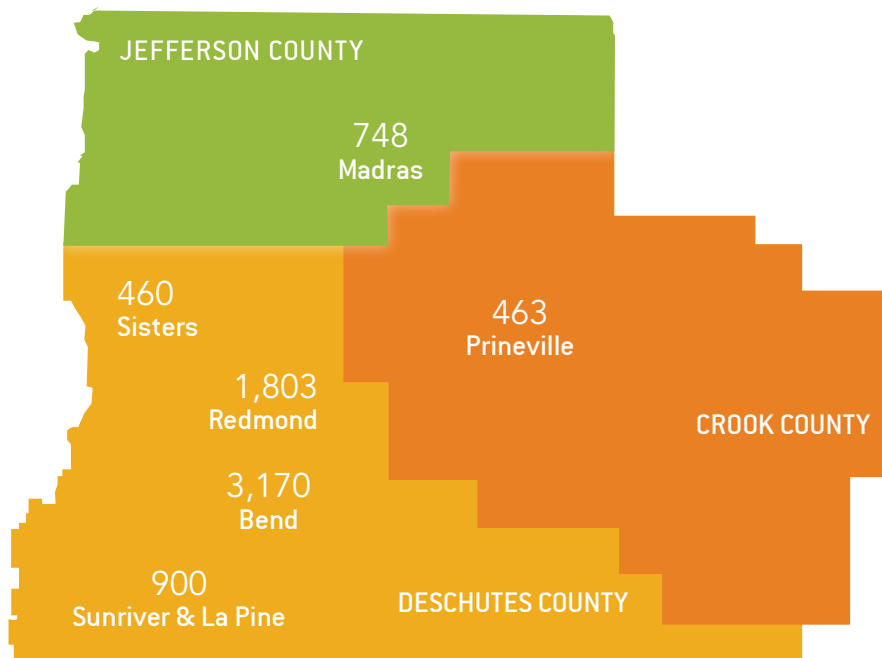

Picture this: a young girl quickly fills her backpack with apples as she passes through the lunch line. A staff member watches with concern and contacts the school's FAN advocate that same day. Quickly, the FAN advocate was able to connect the girl and her family with access to food and other resources so the young girl was able to get back to being a kid again, free of the worry of where her next meal would come from. This was one of the first stories I heard about FAN and it has stuck with me ever since.

I have had the honor of being the chair of the FAN Foundation Board for the last two years. Our purpose is to ensure that Central Oregon students, like this young girl, receive FAN advocate services. FAN has been opening doors to our most vulnerable families for over 30 years. Thanks to you, our friends, our supporters, and our partners in hope.

Sincerely,  
Lauren Olson

## NICOLE'S STORY

After years of abuse, Nicole was removed from her father's care only to face months of legal proceedings that kept her trauma fresh. While living in a group home, Nicole first visited FAN's office for clothes and school supplies. After she shared her struggles, her FAN advocate immediately connected her to onsite mental health resources and professional counseling, encouraging her to return to FAN anytime.

With a community around her, Nicole excelled at her studies. But soon, she again found herself in crisis—her group home was simply too chaotic for her recovery. She entered foster care, but she and her foster parents struggled to communicate. Nicole turned to FAN again. Her advocate contacted a local organization to mediate conversations between Nicole and her foster parents, laying a healthy foundation. Now, Nicole is thriving again, excited at the prospect of building a better life for herself. Most importantly, she knows she is never alone in her struggles, no matter how difficult.

My FAN advocate goes above and beyond, and I never feel judged.

## ADAM'S STORY

Adam bubbled with excitement. His long-anticipated sixth birthday was just one day away! He chattered in the backseat about cake and candles and celebrating with his mom. He didn't notice the concern in his mom's face as he went into school. But she was worried and she stopped by the FAN office for assistance. Unexpected expenses had put her behind on bills. She explained her situation calmly at first—she just needed a little help with rent—but then her voice quavered: Her son's birthday was the next day, she explained, and she had nothing for him. Not even a cake. To her surprise, the FAN advocate not only connected her to resources for rent relief, but also produced a complete bag of birthday essentials—cake mix, frosting, candles, and even decorations. Mom took the bag in amazement and started making plans.

The next day, Adam celebrated his birthday by blowing out seven candles on his very own cake.

I'm someone who doesn't feel comfortable asking for help, so the ability to get assistance that is understanding and works with my insecurity is something I'm incredibly grateful for.
