LETTER FROM THE BOARD CHAIR

Friends of FAN,

As Chair of the FAN Foundation Board, I have the unique opportunity of witnessing firsthand the support our amazing community brings to children and families in need. Not many people get to experience these stories as they unfold, so I hold these special moments close: A boy who is able to get to school because FAN replaced his worn-out shoes; a family who can keep their heat turned on in the winter; a new backpack that holds more than just homework—it holds hope. Whenever I hear another story of a person impacted by FAN, I think, "This is what we do. This is our mission."

FAN's impact on our community is clear. And as our region continues to grow, so does the need. That's why we're so grateful to the individuals, businesses, foundations and organizations that support our work each year. I'm happy to report that we met our fundraising goals for 2023-2024 school year and are financially healthy and poised for growth. Thank you to everyone who has contributed to this success.

Our purpose is to ensure that Central Oregon students have access to their FAN advocates. FAN has been opening doors to our most vulnerable families for over 31 years. Thank you for being part of our journey, it is an honor to be the FAN Foundation Board Chair.

Sincerely,
Marianna Frisinger

CAMERON'S STORY

Cameron popped his head into his FAN advocate's office to say "hi", as he had ever since he received a clothing voucher at the beginning of the year. He watched his advocate's smile grow concerned as she took in his pale features. "It's nothing, just a cold," he assured her. But when pressed, Cameron admitted he hadn't been sleeping very well because the heat didn't reach his room at night.

Cameron's persistent cold would not go away. His dad desperately wanted Cameron to stay warm over the winter but they lived in an older home and there were no heating vents in Cameron's room. With a limited income and at a loss for how to keep Cameron warm, his father met with the FAN advocate. His advocate was able to source a down sleeping bag, a new pillow, and a small electric heater for his room. Cameron was thrilled with these basic items! Later that week, he popped into her office with a big smile and healthy, rosy cheeks to thank her for always looking out for him.

I am so incredibly grateful for the FAN program and advocates. Thank you for blessing our family.

OLIVIA'S STORY

It was the first day of a new middle school for Olivia and she was nervous. Olivia had recently been placed in her grandparents' care due to an unsafe home environment. She felt isolated and sad having to navigate a new school and home.

Olivia's grandmother immediately called the FAN advocate knowing that having her move in with them would be a huge emotional adjustment. Olivia was invited to the advocate's office where she sat in a cozy office filled with colorful school supplies, coats, and shoes. She listened as her new FAN advocate proposed some ideas to help her adjust to her new living situation. Her FAN advocate swiftly compiled a list of OHP-approved counseling services where Olivia could safely discuss her feelings and provided the family with support services to navigate their new family arrangement. The advocate also collaborated with partner agencies to sign Olivia up for gymnastics and swim lessons to help her make new friends. She now knows she has an ally in her FAN advocate at school, and at home, she feels the love and stability of her grandparents.
