LETTER FROM THE BOARD CHAIR

Friends of FAN,

Wow, what a year! As I reflect back on this school year, our lives have become practically unrecognizable to what they were in September. I am filled with gratitude for our FAN community, and at the same time my heart goes out to our FAN families. As I am sure you are aware, COVID-19 affects them disproportionately than the rest of Central Oregon. Our FAN families are more likely to experience job loss and financial hardship, which leads to housing instability. This is where FAN has stepped in and continues to do so throughout the summer.

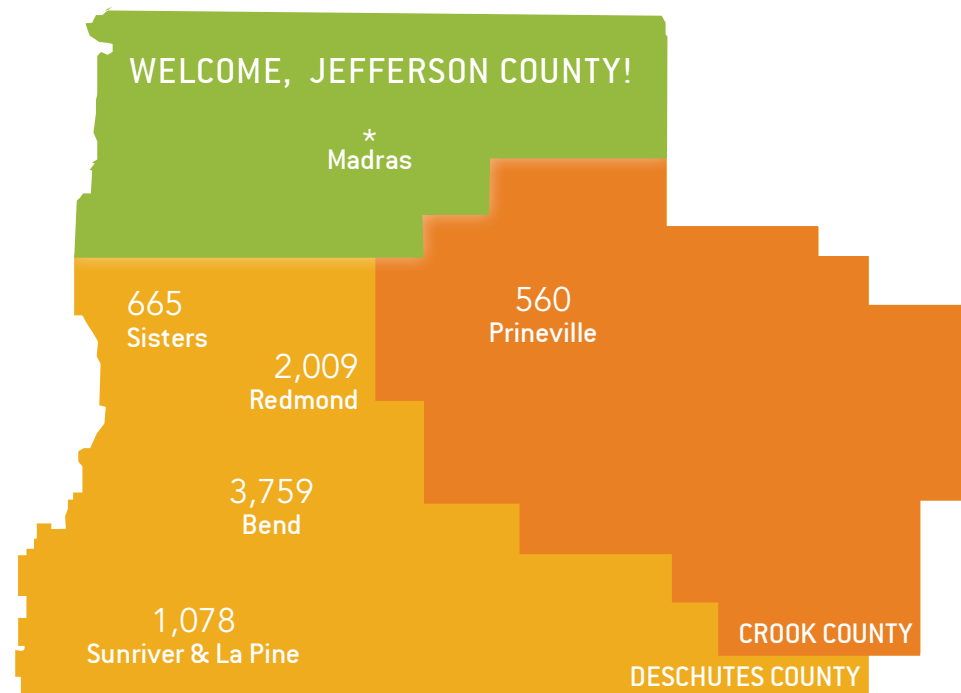

Since schools transitioned to distance learning, FAN has received funds from over 25 different partners to support COVID relief efforts. We have served over 1,000 additional people during the quarantine with everything from housing to employment to medical needs to food resources. This is what we work for, this is what we save for, so that when our families really need us, FAN is there – ready and able to help.

Thank you to the FAN advocates, staff, board, and most importantly supporters like you. You allow our advocates to live our mission every day and especially during this unpredictable time.

Best,
Alisa Betz

THE 2019-20 SCHOOL YEAR

In the 2019-2020 school year, the FAN program leveraged nearly \$600,000 in community donations including food, clothing, health services, hygiene items & much more. FAN advocates couldn't do their work without our community partners!

FAN VISION:

A community where children flourish and families thrive.

IN THE WORDS OF A PARENT:

"Our FAN advocate is very kind and helpful. They use all of their resources to solve problems."

"FAN has helped us out with the utmost kindness."

"She helped save our lives!"

"My advocate is an incredibly supportive, positive, valuable resource for our high school. Her timeliness and attention to students' needs is so appreciated!"

"My advocate has been such a big help to our family this year with school, work, and home."

"She has helped beyond words. I was in a very dark place upon arriving. I've not only received services, I have been helped with feeling better about myself as a person."

"My advocate goes above and beyond for her students and their families."

100% of families surveyed reported that FAN improved their lives.

FAN MADE A DIFFERENCE

THE MCCOY'S STORY

The COVID-19 pandemic hit the McCoy family hard. The dad learned he had been laid off, and the mom's work hours were significantly reduced. Rent was due soon, and they were afraid of losing their home in the midst of a global health crisis. Also, with the closure of schools their two children were supposed to be learning from home, but they couldn't afford Wi-Fi.

They heard about FAN through a friend, and contacted an advocate. The FAN advocate was able to work with community partners to help raise the funds for rent that month. And by working with a local internet provider, the FAN advocate was also able to get the McCOys affordable Wi-Fi so that their kids could continue to learn despite the pandemic. With the support of FAN and our community, the McCOys can breathe a little easier and plan for their family's future.

FAN MISSION:

To offer assistance, possibility and hope to Central Oregon families in need by connecting them with crucial resources that will help children flourish in school and in life.

FAN helps families thrive by connecting them to basic needs. Last year, FAN linked:

3,497 children & parents to CLOTHING

3,961 people to FOOD

2,190 children to SCHOOL SUPPLIES

1,874 people to SHELTER OR HOUSING

3,235 individuals to UTILITY ASSISTANCE

1,105 children to HEALTH INSURANCE & HEALTH SERVICES

500 students to POSITIVE YOUTH DEVELOPMENT

109 people to EMPLOYMENT

CHASE'S STORY

Chase is only 10 years old but has already faced many challenges. His parents have been incarcerated multiple times, and he has lived in foster care and changed schools three times in as many years. With the help of FAN, his school, and community partners Chase has been able to remain in the same school this entire year. Chase was grateful for the clothing, school supplies, and snacks provided by FAN, but what he dreamed of was a reliable bicycle.

His FAN advocate connected Chase with a local high school program that repaired his bike so he could get to school from across town. Future goals include getting Chase into a mentor program where another positive adult can encourage and support him no matter what happens with his family. Thanks to FAN and a supportive community, Chase now has people in his life that he can count on to help him attend school and enjoy being a child.
